PORNSTAR MARTINI

ABSOLUTE VODKA, PASSIONFRUIT, LIME AND VANILLA ENHANCED WITH PROSECCO

The modern day classic from 1999 is slightly notorious with it's zingy passionfruit bursts, it is a firm favourite of ours here at Rhino and Bulls. It is naughty but nice and oozing with luxury!

ESPRESSO MARTINI

ABSOLUTE VODKA, KAHLUA AND FRESHLY GROUND ESPRESSO

Created by Dick Bradsell in the 1980's revolutionising the cocktail club scene. It is a concoction of Coffee liqueur, premium vodka and fresh espresso creating a smooth but frothy bittersweet addiction!

STRAWBERRY DAIQUIRI

WHITE RUM SHAKEN WITH LIME AND STRAWBERRY

A twist on the original made by Jennings Stockton Cox in 1898. This cocktail has evolved from a rum based classic forged out of necessity into a sweet and fruity staple on any deserved cocktail menu in the modern era!

MOJITO

WHITE RUM, MINT, LIME, SUGAR AND SODA, MUDDLED AND BUILT WITH CRUSHED ICE

Deep rooted in several hundred years of history, the Mojito was born in Cuba and has become a cultural icon within that part of Latin America. Made popular in the 1930's in the streets of Havana and has taken the world by storm ever since!

HONEYBIRD

HONEY BOURBON, CAMPARI, LEMON AND PEACH

Its origins are unknown, its history not yet written but this well balanced crowd pleaser is rumoured to be of Kentish decent created at the hand of a budding bearded bartender. Sweet but sour with an illusive past!

NEGRONI

LONDON DRY GIN, STIRRED WITH CAMPARI AND SWEET VERMOUTH

Commonly known as the 'bartenders tippie' for its depth and complexity, satisfyingly bitter balanced with botanicals for a silky finish. With many claims to its origin, the most likely is rooted to the café's of Florence in 1919.

MARGARITA

EL JIMADOR TEQUILA, TRIPLE SEC AND LIME

One story goes that this drink was first concocted by restaurant owner Carlos Herrera for a gorgeous showgirl in 1938 in the depths of Mexico. This is just one story though, it is a drink filled with romance and mystery, packing a punch whilst tantalising your taste buds!
